Living a Life of Love

1 Thessalonians 4:9-12 (p. 836)

• Love is the cry of the world and the goal of our faith.
John 13:35 (p. 763), 1 Timothy 1:5 (p. 839)

• How to love others:

1. Live restful not frantic. Matthew 11:28-30 (p. 689)
   Realize distraction from God = Burden to others

2. Mind your own business. Matthew 7:3-5 (p. 685)

3. Make work as a blessing not a burden. Genesis 2:15 (p. 2)

• The results of love:

1. Respect comes from living from an authentic heart not just morality and attendance.

2. Dependence on God not man. Psalm 20:7 (p. 391)
